Article I - MULTIPLE LISTING SERVICE (MLS)

Section 1 – MLS Orientation and Administrative

Section 1.0 Orientation of MLS Participants and Users. Upon being granted access to the MLS, the following individuals shall be required to attend an orientation:

- (a) New Participants.
- (b) Former Participants, who have not attended the orientation, course within the twelve (12) month period preceding the approval of their new application for MLS Participant.
- (c) New Users.
- (d) Former Users who have not been affiliated with an MLS Participant for a twelve (12) month period.
- (e) Users applying for membership as a Participant who have not attended the orientation course within the twelve (12) month period preceding approval of the application for Participant.
- (f) Unlicensed Assistants. (12/20/12)

Participants and Users may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Users with system changes or enhancements and/or changes to MLS rules or policies. Participants and Users must be given the opportunity to complete any mandated additional training remotely. (6/24/10)

Section 1.2 Request For Waiver of Monthly User Fee for Sales Licensees and Licensed or Certified Appraiser and Licensed Trainee Appraiser. In the event a sales licensee or licensed or certified appraiser or licensed trainee appraiser, who is employed by or affiliated as an independent contractor with a Participant does not access, utilize or receive, either directly or indirectly, any MLS services, does not lease a key and does not list, sell, refer or appraise residential property, the Participant may submit a request to the MLS Tech Board of Directors for waiver of the monthly User fee for such sales licensee or licensed or certified appraiser or licensed trainee appraiser. MLS Tech approved "Request For Waiver" form shall be signed by the Participant and said licensee and shall be subject to review by the Bylaws, Rules and Regulations Committee and approval of the MLS Tech Board of Directors. The lack of involvement or activity in the marketplace of an associate shall not qualify the associate for a waiver. All requests for waivers shall be published to the membership prior to consideration by the MLS Tech Board of Directors. Participants are not eligible for a waiver. **(Amended 10/24/13)**

Section 1.3 Request For Waiver of Monthly User Commercial Specialist. In the event a sales licensee or licensed or certified appraiser or licensed trainee appraiser, who is employed by or affiliated as an independent contractor with a Participant does not access, utilize or receive, either directly or indirectly, any MLS services, does not lease a key and does not list, sell, refer, lease or appraise commercial property, the Participant may submit a request to the MLS Tech Board of Directors for waiver of the monthly User fee for such sales licensee or licensed or certified appraiser or licensed trainee appraiser. The MLS Tech approved "Request For Waiver" form shall be signed by the Participant and said licensee and shall be subject to review by the Bylaws, Rules and Regulations Committee with input from the GTAR RCA committee and approval of the MLS Tech Board of Directors. The lack of involvement or activity in the marketplace of an associate shall not qualify the associate for a waiver. All requests for waivers shall be published to the membership prior to consideration by the MLS Tech Board of Directors. (01/26/12)

Section 2 – Listing Procedures

Section 2.0 Definition.

- (a) **Central Load.** Where used in these Rules and Regulations “Central Load” shall mean that the listing data (and subsequent changes) is entered into the MLS system by the MLS Tech Staff. MLS Tech Staff shall not accept or enter any listing without the authorization of the Listing Participant. To avoid delay, MLS Tech Staff will accept oral authorization by the Listing Participant; however, the Listing Participant must then submit written authorization to MLS Tech. Any Property Data Form or Status Change Form that is incomplete or does not have the appropriate documentation attached will be returned to the listing participant for completion. (Amended 11/16/17)
- (b) **Broker Load.** “Broker Load” shall mean the listing data (and subsequent changes) is entered into the MLS system directly by the Listing Participant or the Listing Participant’s authorized designee.
- (c) **Residential Lease.** Residential Lease shall refer specifically to listings placed in the MLS which are for lease. All MLS Tech MLS rules shall apply to the Residential Lease section unless otherwise specified. Where the rules refer to a Residential Lease listing the term “sale” means “for lease”, “sell” means “lease”; “sold” means “leased”; “Seller” means “Landlord” and the term “Buyer” means “Tenant, etc.” (10/23/08)

Section 2.1 Definition of "Filed with the MLS". “Filed with the MLS” shall mean the required documents have been provided to the MLS for "Central Load", or the listing is entered into the MLS by "Broker Load".

Section 2.2 Listing Status Defined.

- (a) **Active Listing.** An Active Listing is a listing of property that is currently for sale; is not under a contract for sale (i.e. Pending, Contingent, or Closed [Sold]) and offers cooperation and compensation through the MLS.
- (b) **Contingent Category.** Only the following will be allowed in the Contingent Category:
- The Contract of Sale is contingent upon the Buyer’s property, **which is on the market but not presently under contract**, being sold and closed. In other words, the Buyer’s property is on the market for sale, but the Buyer has **not** entered into a Contract for the Sale of the Buyer’s property.
 - Contingent may also be used for a short sale, where an offer has been accepted by the seller and has been submitted to the seller’s lender for approval. The “Short Sale” field must be marked “Y” or “Yes”. Upon the Seller’s lender approval of the contract the Listing Participant shall have 3 business days to change to Pending.

The listing broker can place the listing in either the “Contingent” or “Pending” category. If the listing is placed in the “Contingent” category, the listing will remain with the active listings until the contingency is removed or until the listing expires, in which event it shall default to “Pending.” (9/22/05) (Amended 7/30/09.)

- (c) **Pending.** A property shall be considered Pending when a sales contract is signed by both buyer and seller. Does not apply to Residential Lease listings (10/23/08.)
- (d) **Closed [Sold] Listing.** A listing shall be considered Closed [Sold] when the transaction has closed and the title to the property passes from seller to buyer. Does not apply to Residential Lease listings (10/23/08.)
- Requirements for entering a property for "Statistical Purposes":

1. Participant must have a signed listing agreement or sales fee agreement with the seller.
2. Listing must include the sale of the land.
3. Property must be entered within (5) five business days of the Closed Date. Participant will enter the List Date, Pending Date and Closed Date all as the Closed Date.
4. Public Remarks must read: "Entered for Statistical Purposes Only".
(1/26/2017)

(e) Withdrawn. A listing where all terms of the listing remain in full force and effect and the listing is simply "Withdrawn" from MLS active listings. A signed copy of the Withdrawal must be kept in the listing file. (Amended 1/26/2017).

(f) Released. A listing in which the Participant has terminated the listing agreement and the listing agreement is no longer in effect. A signed copy of the Release must be kept in the listing file. (Amended 1/26/2017).

(g) Expired. A listing in the MLS system in which the listing term has expired and the listing is no longer active in the MLS system.

(h) Leased. A listing shall be considered Leased when the Lease agreement has been signed by all parties. (10/23/08)

Section 2.3 MLS Tech Staff Assistance. Any request for MLS Tech Staff assistance relating to listing data must be accompanied by the appropriate documentation (contract, listing agreement, change notice, etc.).

Section 2.4 Filing Listings Procedures. All exclusive right-to-sell listings and exclusive agency listings located within the territorial jurisdiction of MLS Tech taken by a Participant on all residential and vacant land property types shall be filed with the MLS within five (5) working days after the effective date of the listing unless the listed price is less than \$20,000.

All exclusive right-to-lease listings and exclusive agency for lease listings located within the territorial jurisdiction of MLS Tech taken by a Participant on all residential leases shall be filed with the MLS within five (5) working days after the effective date of the listing unless the monthly rent is less than \$750.00. If the listing agreement indicates that the house is to be for sale and for lease the property shall be listed in the Residential tab and the Residential Lease tab unless other exceptions are met. (revised 6/28/12)

All listings shall have all legally required seller disclosure/disclaimer information attached, except where sellers expressly direct that such disclosure documents not be disseminated through the MLS. (5/20/10)

Section 2.5 Listing Agreement Form. MLS Tech shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is a type accepted by MLS Tech, although a "Property Data Form" may be required as approved by the MLS Tech Board of Directors. However, MLS Tech, through its legal counsel:

- (a)** May reserve the right to refuse to accept a listing agreement that fails to adequately protect the interest of the public and the Participants.
- (b)** Shall assure that no listing agreement filed with the MLS establishes, directly or indirectly, any contractual relationship between the MLS and the client (buyer or seller).
- (c)** Requires that the listing agreement must include the seller's authorization to submit the agreement to the MLS Tech MLS.

Section 2.6 Types of Listing Agreements. MLS Tech shall accept exclusive right-to-sell listing agreements and exclusive agency listing agreements and may accept other forms of agreement which

make it possible for the listing broker to offer cooperation and compensation to the other Participants of the MLS acting as brokers for buyers.

(a) The different types of listing agreements accepted by the MLS are:

- 1) exclusive right-to-sell
- 2) exclusive right-to-sell that is subject to auction/sealed bid
- 3) exclusive right-to-sell with named reserved prospect
- 4) exclusive right-to-sell with variable rate commission
- 5) exclusive agency (*the term “agency” is used only because it is the common term used in the marketplace to define an exclusive right to sell where the seller reserves the right to sell the property himself on an unlimited or unrestricted basis. The term “agency” as used here is not intended to describe an “agency” relationship.*)

The exclusive right-to-sell listing is the conventional form of listing submitted to the MLS in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The exclusive right-to-sell listing that is subject to auction/sealed bid shall be identified in the Public Remarks of the MLS Tech MLS electronic data compilation of current listings.

The exclusive agency listing also authorizes the Listing Broker, as Seller’s exclusive Broker, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named reserved prospects exempted must be identified and published in the “Type of Listing” field of the MLS compilation of current listings since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempted.

(b) The MLS will not accept net listings because they are deemed unethical. Open listings are not accepted because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

(c) **Types of Properties.** The MLS shall, at the Listing Participant’s option, publish commercial property types.

Section 2.7 Listing Subject to Rules and Regulations of MLS Tech. Any listing taken on a listing agreement to be filed with the MLS is subject to the Rules and Regulations of MLS Tech upon the signature of the seller(s).

Section 2.8 Detail on Listings filed with the MLS. A listing when filed with the MLS by the Listing Participant shall be complete in every detail, which is ascertainable as specified on the MLS Tech MLS Property Data Form.

Section 2.9 Square Footage.

- (a) **Primary Residence.** Participants may quote square footage from the following sources in the Square Footage fields, or in Public Remarks:
- County Assessor (Court House) square footage
 - Building Permit square footage - Participant must have a copy of the building permit in the Participant’s listing file.

- Appraisal square footage - a copy of a full appraisal(s) or a copy of square footage measurement(s) by a licensed or certified appraiser, provided by the current seller must be in the Participant's listing file.

Square footage can **only** be quoted in the Square Footage fields, House Size (Range) field, the Media fields, or in Public Remarks. Square footage listed in Public Remarks must indicate the source. The square footage listed in Media must match one of the square footages reported in the Square Footage field or in the Public Remarks. Participants and Users shall **not** report **square footage in any other field (including square footage of a room addition, etc.)** (12/15/05, updated 6/21/07, amended 6/24/10).

- (b) **Secondary Residence.** In the event the property contains a Secondary Residence; the square footage of the Secondary Residence must **NOT** be included in the Primary Residence fields of the listing. The square footage of the Secondary Residence can be included in the Public Remarks fields under the following condition:
- The square footage is from an approved source (as outlined above) and the source is also identified in the remarks. (11/18/04)
- (c) **Mobile/Manufactured Home.** Participants may quote dimensions of a Mobile/Manufactured Home, if the Participant has a copy of the title, displaying the dimensions, in the Participant's listing file. The dimensions can be quoted in the Public Remarks field and must include the wording "per title". (9/28/06 amended 7/22/2010)
- (d) **Attached Garage.** The square footage and/or dimensions of an attached garage can be included in the Public Remarks field under the following condition:
- The square footage is from an approved source (as outlined above) and the source is also identified in the remarks. (10/24/13)
- (e) **Detached Non-Livable Structure.** The square footage and/or dimensions of a detached non-livable structure can be included in the Public Remarks field at the Brokers discretion. (10/24/13)
- (g) **Basement.** The square footage and/or dimensions of a basement can be included in the Public Remarks field under the following condition:
- The square footage is from an approved source (as outlined above) and the source is also identified in the remarks. (5/25/2017)

Section 2.10 Model Homes Listings. To be listed in the MLS, a Builder's Model Home must be for sale. If the builder plans to use the home as a model and the sale will not close or buyer given possession in a reasonable time, the "Public Remarks" must include the following notice: "As this is a Builder's Model Home, buyer cannot take possession of the home until __ (date) __." (6/23/05)

Section 2.11 Limited Service Listing Agreements. Limited Service Listing Agreements shall mean listing agreements under which:

- the Listing Participant will perform the duties; responsibilities and services required by the Oklahoma Real Estate License Code,
- but fewer than all the services required to complete a transaction.

Such listing shall be identified with a "Y" (yes) on the MLS Property Data Form in the "Limited Service" box. It will be published in the MLS Data compilations so potential cooperating Participants will be aware that it will be necessary to contact the listing Participant prior to initiating efforts to show or sell the property to determine what services will not be performed by the Listing Participant and to what extent the cooperating Participant will be asked to perform services required to complete the transaction. (6/23/05)

Section 2.12 Exempted Listings. If the seller refuses to permit the listing to be disseminated by the MLS, the Participant may then take the listing ("Office Exclusive") and such listing shall be filed with the MLS but not disseminated to the participants. The Participant has five (5) working days after the effective date of the listing, to file with the MLS a certification by the seller that the listing will be an Office Exclusive.

If MLS Tech staff is advised that the Participant has failed to file a certification by the seller, the following procedure will be followed:

- (a) If this is the first failure of the Participant to submit the certification by the seller on an office exclusive listing, the MLS Tech staff shall contact the Participant and request that a copy of the listing agreement and certification by the seller be submitted within twenty-four hours, and will advise the Participant that the fine will be waived if the requested documentation is received within 24-hours and that if there are subsequent violations of this rule, the Participant and/or User will be fined \$100 for each violation.
- (b) If the Participant and or User have previously violated this rule, MLS Tech staff shall contact the Participant and request that a copy of the listing agreement and certification by the seller be submitted within twenty-four hours, and that the Participant and/or User will be fined \$100.
- (c) If the Participant and/or User fail to submit the certification by the seller and a copy of the listing agreement as requested, under both (a) and (b) above, the Participant and/or User will be fined \$200. (Amended 2/24/11)

Section 2.13 Custom Build Sale. In no instance may comparable sales be entered into MLS by **combining vacant land sales price with the contract purchase price of a house (improvements only).** (5/25/2017)

Section 2.14 Co-Listing. A Participant and/or User shall not enter a listing in the MLS that is co-listed with a licensee who is not a MLS User and does not pay MLS User fees, whether the licensee is a member of the Participant's firm or not and regardless of whether the licensee is a member of an Association of REALTORS® or not. (1/1/04)

Section 2.15 Changes to Listing. Any change to a listing shall be made only when authorized in writing by the seller and shall be filed with the MLS service within three (3) business days after the authorized change is received by the listing Participant.

Section 2.16 Modifying Property History. Although on occasion, a modification of MLS data is performed by MLS staff, staff will not modify the listing history (history/archive report) under any circumstance.

Section 2.17 Withdrawal or Release of Listing Prior to Expiration. Listings of property may be withdrawn or released from the MLS by the Listing Participant before the expiration date of the listing agreement provided notice is filed with the MLS. A release must include a copy of the agreement between the seller and the listing broker which authorizes the release.

Sellers do not have the unilateral right to require an MLS to withdraw or release a listing without the Listing Participant's concurrence. However, when a seller(s) can document that his exclusive relationship with the Listing Participant has been terminated, the MLS may remove the listing at the request of the seller.

A withdrawn listing placed back in the active listings prior to expiration of the original listing, does not require a new listing number.

A released listing may not be re-entered into the MLS system for the purpose of manipulating the MLS data.

Section 2.18 If a property cannot be shown, it cannot be placed in an Active status in the MLS. If the listing has been entered into the MLS, the status must be changed to Withdrawn. If the listing has not

been entered, a certification by the seller must be filed with MLS Tech staff within 5 business days of the List Date. (4/19/07 Amended 2/24/11)

Section 2.19 Property Data Form. All listings filed with the MLS must include all information required on the Property Data Form as from time to time amended by the Board of Directors.

Section 2.20 Legal Description. When the legal description is too long, at a minimum the Section, Township, Range and County or Subdivision must be shown.

Section 2.21 Remarks/Media Self-promotion.

1. Public Remarks and Direction Fields.

- (a) Only information describing the listed property, its community and any exclusions for the sale/or legally required statements are allowed in the “Public Remarks” section of any listing in the MLS.
- (b) Information contained in the Public Remarks and Direction fields of the listing shall be at the discretion of the MLS Participant and/or User and the seller. This information, however, shall be factual and shall **not** include the Listing Participant, User, seller or tenant contact information, including, but not limited to, phone number, fax number, e-mail and Web page addresses, gate code, security code, lockbox code, any self-promotion comments, open house information and/or any of the restricted fields listed in Section 10.1c of these Rules and Regulations. In addition, the Directions field must contain directions to the property. Entering only the address, subdivision name, "use your GPS" or anything similar is not allowed. *(1/1/04 revised 10/18/07, revised 8/22/13)*
- (c) MLS Tech will not be responsible for the content of the Remarks section of the listing. The MLS Participant is solely responsible for the content of the Remarks section of the listing filed with the MLS by his/her Users.
- (d) The MLS Participant will defend MLS Tech including its officers, directors and employees against any action brought against MLS Tech due to violation(s) caused by the Participant’s company and/or licensees.
- (e) **Room Dimensions.** Room dimensions shall be permitted in the Public/Media/Broker Remarks fields as long as the dimensions entered are a part of the square footage reported on the listing in the square footage field. *(6/22/06)*

2. Broker Remarks. Except for seller and/or tenant, contact information in the “Broker Remarks” shall **not** include a non-member or an unlicensed person.

3. Media. Submission of media is voluntary and the seller has the right to request media not be included in the MLS. If media is submitted the following rules apply. (Amended 2/24/11)

Self-promotion (i.e., Listing Participant or User contact information, including phone number, fax number, e-mail, and Web page addresses and/or self-promotion comments) shall not be permitted in any media submitted to the MLS including, but not limited to, photographs, virtual tours, 360 photo tours. This includes all features of media, including, but not limited to, all video and audio portions of the media.

In addition, YouTube links and/or self-promotion/contact information regarding virtual tour providers/companies shall not be permitted in any virtual tour. *(2/23/12)*

Photographs shall be limited to the real property and shall **not include** photographs of the User, Participant, legible real estate sign, legible builder’s sign, electronic business card, pets, animals, or people as the focal point, etc. *(1/19/06)*

The Primary photograph must be the exterior front view of the primary structure. For Vacant Land or Condo listings, the Primary photograph must be a photo of the lot, a photo taken, of the view, from the lot, or a photo of the entrance/subdivision sign (with no legible contact information). (7/20/06 amended 7/22/10)

Photos should not be altered in a way that could potentially mislead another broker and/or consumer. This is including, but not limited to; modifying the roof pitch, adding dormers/shutters, removing power lines, modifying visible structural issues, moving/adding walls inside the house, adding windows, etc. (5/25/2017)

1. A primary photo is required for all “exclusive right-to-sell that is subject to auction/sealed bid” listings. The word “Auction” must be visible on the photo. Photo must be added to the listing within 3 business days. (2/15/07)

All photographs submitted to MLS Tech (regardless of who takes the photographs) shall become a part of the MLS Tech owned and copyrighted MLS compilation (database). (8/19/04)

Except for the purpose of creating a Comparative Market Analysis (CMA), use of another Participant’s photographs and/or Virtual Tours is prohibited unless the Participant’s written permission is given to the Participant or User desiring to use the photographs and/or Virtual Tour. A Participant and/or User found in violations of this rule shall be referred to the Bylaws, Rules and Regulations Committee (6/23/05)

Section 2.22 Listing Price Specified. The full gross listing price stated in the listing agreement will be included in the information published in the MLS compilation of current listings unless the property is subject to auction/sealed bid. If the property is subject to auction/sealed bid the list price is at the discretion of the participant, which can be the minimum bidding price or price as agreed upon between seller and participant. The “full gross listing price” is defined as the price in the listing agreement plus any fees, expenses or costs not disclosed in Public Remarks, required to be paid by the Buyer for the purchase of the property, but not including normal and customary closing costs.

Does not apply to Residential Lease listings (10/23/08, revised 10/4/12, Amended 4/25/13)

Section 2.22.1 Monthly Rent Specified. The full gross monthly rental price stated in the listing agreement will be included in the information published in the MLS. (10/23/08)

Section 2.23 Listing Bulk Package Properties. In order to meet the criteria for Bulk Packages, all properties to be listed in the package must be owned by the same individual (added 5/26/11).

- **Commercial Listings:** All commercial properties that have their own tax parcel number, adjoining or not, must be entered on the MLS as individual properties with different MLS numbers. Commercial Properties with their own tax parcel number that are included in a package sale should reference each MLS number in the Public Remarks of each listing and state properties must be sold together as part of a package sale. (7/21/05 amended 6/24/10, 10/28/10)
- **Residential Lease:** When multiple units for lease have the same tax parcel id number each unit which is for lease shall be entered as a separate MLS Listing (10/23/08 amended 6/24/10.)
- **Residential or Vacant Land Listings:**
 - Option #1: All residential properties that can be sold as a package and each have their own tax parcel number, adjoining or not, can be entered on the MLS as individual properties with different MLS numbers. Listings should reference each MLS number in the Public Remarks of each listing and state properties may be sold together as part of a package sale.
 - Option #2: All residential properties that can be sold as a package and each have their own tax parcel number, adjoining or not, can be entered on the MLS as a package sale with one (1) MLS number. Listing should state that properties may be sold individually or as part of a

package sale. Each parcel and/or legal description must be included in the Legal Description or Public Remarks field.

- Option #3: All residential properties that can be sold as a package and each have their own tax parcel number, adjoining or not, can be entered on the MLS as individual properties with different MLS numbers and the package sale can be entered as a bulk listing. Listings should reference each MLS number in the Public Remarks of each listing and state properties may be sold together as part of a package sale.

If an individual property/lot is sold separately from the other property(s)/lot(s) listed in the Package Listing that property/lot must be entered/modified in the MLS system with details of the sale **and** the Package Listing shall be edited to show the property/lot sold separately is no longer available.

Listings Released due to an individual or bulk sale shall have “Part of bulk sale (MLS #s)” entered into the Broker Remarks field. (10/28/10)

Section 2.24 Errors or Omissions On Listings. MLS Tech shall not be liable for errors or omissions contained in the MLS. It is the responsibility of the Listing Participant to check his/her listing. If there is an error or omission on a listing the following action shall be taken:

- (a) If “Central Load,” the listing Participant shall immediately notify MLS Tech staff.
- (b) If “Broker Load,” the listing Participant shall immediately correct his/her own listing errors. In the event the listing Participant is unable to make the necessary changes; he/she shall immediately notify MLS Tech staff in writing with an authorized signature.

Section 2.25 No Control of Commission Rates or Fees Charged by Participants. MLS Tech shall not fix, control, recommend, suggest or maintain commission rates or fees for services to be rendered by Participants. Further, MLS Tech shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and nonparticipants.

Section 2.26 Expiration, Extension, and Renewal of Property Data Form. Listings filed with the MLS will automatically be removed from the electronic data compilation of Active and Withdrawn listings on the expiration date specified in the listing agreement unless prior to that date the MLS receives notice that the listing has been extended or renewed.

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the MLS service.

The term of a listing is determined by the Seller and Listing Participant and MLS Tech shall not establish any rule governing the term of a listing. In order to preclude publication of outdated information, however, no Property Data Form published by the MLS shall remain an active listing beyond six (6) months, with the exception of Vacant Land listings, which shall not remain an active listing beyond one year. Properties may be resubmitted on a new MLS Property Data form, which will then be published as a new Listing. (Amended 5/25/2017)

Section 2.27 Termination Date on Listings. Listings filed with the MLS shall bear a definite and final termination date as negotiated between the listing broker and the seller.

Section 2.28 Jurisdiction. Only listings of the designated types of property located within the MLS Tech jurisdiction are required to be submitted to the MLS. Listings of property outside MLS Tech’s jurisdiction and that are located within the State of Oklahoma or a contiguous state will be accepted if submitted voluntarily by a Participant, but cannot be required by MLS Tech.

Section 2.29 Active Listings of New MLS Participant as of Date of Participation. Within thirty (30) days of the effective date of MLS Tech MLS Participation, a new Participant shall submit all active listings held by his/her firm unless precluded by Seller. If the Seller instructs the new Participant not to

enter the listing on the Seller's property in the MLS, the Participant shall file a certification by the seller with the MLS in lieu of submitting the listing. (Amended 2/24/11)

Section 2.30 Listings of Suspended or Expelled Participant. When a Participant of the MLS is suspended or expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, GTAR Bylaws, MLS Tech Bylaws and/or MLS Tech Rules and Regulations or other membership obligations except failure to pay appropriate dues, fees, or charges) all listings currently filed with the MLS by the suspended or expelled Participant shall, at the Participant's option, be retained in the MLS until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension or expulsion became effective.

If a Participant has been suspended or expelled from GTAR or MLS Tech (or both) for failure to pay appropriate dues, fees or charges, MLS Tech is not obligated to provide MLS services, including continued inclusion of the suspended or expelled Participant's listings in the MLS compilation of current listing information and MLS Tech shall have the right to withdraw or remove the suspended or expelled Participant's listings from the MLS. Prior to withdrawal or any removal of a suspended or expelled Participant's listing from the MLS, the suspended or expelled Participant should be advised in writing of the intended removal so that the suspended or expelled Participant may advise his/her clients.

Section 2.31 Listings of Resigned MLS Tech Participant. When a Participant resigns from MLS Tech, MLS Tech is not obligated to provide services, including inclusion of the resigned Participant's listings in the MLS compilation of current listing information and MLS Tech shall have the right to withdraw or remove the resigned Participant's listings from the MLS. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised in writing of the intended removal so that the resigned Participant may advise his/her clients.

Section 2.32 Listings of Licensee (User) Released by MLS Tech Participant. Upon a licensee leaving an MLS Tech Participant's firm, the Participant shall within one (1) business day enter the change of listing associate to the Participant or another licensee with his firm, who is a MLS User or release the listing(s). (1/1/04)

Section 3 - Pending, Sold, Change, and Lease Notices

Section 3.0 Procedures.

- (a) All changes shall be filed with the MLS within the time outlined in this section from receipt of such change information. In the event of "Central Load" a copy of such change shall be delivered to the MLS Tech office within the same time period as stipulated above. See Article I, Section 4.6 for additional rules regarding reporting sales to the MLS. (1/1/04, Amended 2/24/11, 4/28/11)
- (b) All Status Change Notices that are to be Central Load must be signed by the Participant, or an authorized member of the Participant's Firm. Only three (3) members of the firm per office (a branch office is considered a separate office for this purpose) may be authorized to sign Status Change Notices on behalf of a Participant. Written authorization for the member to sign on behalf of the Participant must be on file with MLS Tech.
- (c) **Corporate Listings.** In the case of Corporate Listings, Listing Participant shall have the responsibility to (when paperwork has not been received) change the listings to a Pending status, upon verbal acceptance of a contract. (The Corporate field on the listing must display Yes.) (7/20/06)
- (d) **Pendings That Go Beyond the Anticipated Closing Date.** If a Pending does not close on the anticipated closing date, the new anticipated closing date must be entered into the MLS system within thirty (30) days of such failure to close. Does not apply to Residential Lease listings (10/23/08.)

- (e) **Reporting Requirements of Sold (Closed) Notices.** Listing Participant shall within five (5) business days of a listing being sold (closed) file such information, including, but not limited to, **actual** sales price and loan information, with the MLS. *(1/1/04, Amended 4/28/11)* Does not apply to Residential Lease listings (10/23/08.)

On cooperating brokerage sales, the sales information and selling broker shall be included in the information filed with MLS. In the event the selling broker is not a Participant of the MLS, a code number of 99999 shall be inserted. If listing is pending and the listing broker is no longer an MLS Tech Participant, the selling broker shall be responsible for reporting the pending as closed once the sale has occurred.

- (f) **Reporting Requirement of Leased Notices.** Listing Participant shall within three (3) business days of a listing being leased file such information, including, but not limited to actual monthly rental price, and leasing associate. (10/23/08)

Section 4 - Selling Procedures

Section 4.0 How Shown. If the “Showing Contact” data box on a listing published through the MLS shows “Call Agent” a cooperating participant or listing user must contact the listing participant for specific authority to show said property. (10/23/08)

Section 4.1 Showings and Negotiations. Appointments for showings and negotiations with the seller for the purchase of listed property filed with the MLS shall be conducted through the listing participant except under the following circumstances:

- (a) The listing participant gives the cooperating broker specific authority to show.
- (b) The listing participant gives the cooperating broker specific authority to negotiate directly. Or,
- (c) After reasonable effort, and after forty-eight (48) hours if the cooperating broker cannot contact the listing participant or his/her representative, the cooperating broker may call any member of the MLS Tech Board of Directors (as a neutral party) to accompany him/her to present the offer to the seller.
- (d) The listing broker, at his option, may preclude direct negotiations by cooperating participant.

Section 4.2 Presentation of Offers. The listing participant must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

Section 4.3 Submission of Written Offers. The listing participant shall submit to the seller all written offers until closing unless precluded by law, government rule, regulations, or agreed otherwise in writing between the seller and the participant broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing participant shall recommend the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 4.4 Right of Cooperating Broker in Presentation of Offer. The cooperating broker or his/her representative has the right to participate in the presentation to the seller or lessor of any offer he/she secures to purchase or lease. The cooperating broker does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing participant. However, if the seller or lessor gives written instructions to the listing participant that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing participant's right to control the establishment of appointments for such presentations.

Section 4.5 Right of Listing Participant in Presentation of Counter-Offer. The listing participant or his/her representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. The listing participant does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee. However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing participant not be present when a counter-offer is presented, the listing participant has the right to a copy of the purchaser's or lessee's written instructions.

Section 4.6 Reporting Sales to the MLS.

Status changes, including final closing of sales, and prices, shall be reported to the MLS by the listing participant within 3 business days after they have occurred. If negotiations were carried on under Section 4.1 a-d hereof, the cooperating broker shall report accepted offers and prices to the listing participant within 2 business days after occurrence and the listing participant shall report them to the MLS within 3 business days after receiving notice from the cooperating broker. (NAR Amended 05/07, 2/24/11, 01/26/12)

NOTE: The listing agreement of a property filed with the MLS by the listing participant should include a provision expressly granting the listing participant authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing participant the right to authorize dissemination of this information by the MLS to its participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 1/26/12)

Section 4.7 Advertising of Listing Filed with the MLS. A listing shall not be advertised by any Participant, other than the listing participant, without prior consent of the listing participant.

Section 5 - Prohibitions

Section 5.0 Information for Participants Only. Any listing filed with the MLS shall not be made available to any broker, sales associate, certified or licensed appraiser, licensed trainee appraiser, or firm not a member of the MLS without the prior consent of the listing participant. The compilation of listing information (whether it be a print out from the MLS, or through or on a Participant's Internet Web site, via email or any electronic source) may not be sold to, loaned to, given to, or shared with a broker or associate affiliated with a broker who is not a member of the MLS or any non-licensed person except as specifically provided in Sections 7, 8, and 9 of these Rules. *(1/1/04)*

Reports and/or any MLS listing data given to or shared with a member of the public (buyer or seller) (whether it be a print out from the MLS, or through or on a Participant's Internet Web site, via email or any electronic source) shall not include any private or confidential information and shall comply with the provisions and restrictions set out under Section 10 of these Rules and Regulations.

Section 5.1 Use of MLS Data by Appraiser Participants and Users. Participants and Users, who utilize the MLS data for the purpose of making (or supporting) an appraisal shall not sell, give or include any MLS data or information from MLS data in another database (including, but not limited to an appraisal data base) for use by or resale to other appraisers. *(1/1/04)*

Section 5.2 Assistant Access. All unlicensed assistant duties should be limited to directly assisting the licensed MLS User/Participant, for whom they are employed, in accordance with these rules and the Oklahoma Real Estate Commission. Such activities are limited to assisting with the listing and sale of real estate. Utilizing the system for any other purposes is strictly prohibited and will result in the unlicensed assistant's access being revoked. In addition, unauthorized use of the system by the unlicensed assistant may result in a fine and/or disciplinary action for the Participant and/or User. *(12/14/06)*

Section 5.3 Cooperating Broker (Sales Associate). The cooperating broker (sales associate) shall follow showing instructions as outlined in the "Occupied", "Keybox Type", and "Showing Contact" data fields. (Amended 7/22/2010)

Section 5.4 "For Sale" Signs. Only the "For Sale" sign of the listing participant may be placed on the property.

Section 5.5 "Sold" Signs. Prior to closing, only the "Sold" sign of the listing participant may be placed on a property, unless the listing participant authorizes the cooperating (selling) broker to post such a sign.

Section 5.6 Solicitation of Listing filed with the MLS. Participants and their associates shall not solicit a listing on property filed with the MLS unless such solicitation is consistent with Article 16 of the REALTORS®' Code of Ethics, its Standards of Practice and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 5.7 Confidentiality of System Password/Identification.

- (a) Participants, Users and Unlicensed Assistants, who access the MLS system, shall not share their access or give their password/identification to any other person, whether affiliated with their firm or not except under the following conditions:
- The Participant's, User's or Unlicensed Assistant's computer is disabled and must be taken off premises for repair by a computer repair technician and the technician needs the Participant's or User's password to set up the user's email account in an email program. In this event, the Participant, User or Unlicensed Assistant must change their password within twenty-four (24) hours of sharing such password with the technician. (7/20/06)
 - In the event the Participant, User or Unlicensed Assistant needs the assistance of MLS Tech staff with log-in, the Participant, User or Unlicensed Assistant can share their password with the MLS Tech staff member assisting them. (6/23/05)
- (b) A requirement by the participant and/or managers that a User and/or Unlicensed Assistant share their password with the participant and/or manager shall be considered a violation of these Rules and Regulations.
- (c) Termination of Employment of Unlicensed Assistant. In the event an Unlicensed Assistant resigns or whose employment by the Participant and/or User is terminated, the Participant and/or User shall immediately notify the MLS Tech staff so that the Assistant's access to MLS data can be terminated.

Section 5.8 Add/Edit Listings or Media. A Participant or User shall not be permitted to add/edit listings or media in the MLS for any Participant or User who is not affiliated with the same Participant. (5/25/06)

Section 5.9 Use of the Terms MLS and Multiple Listing Service. No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. (Adopted 11/07, Amended 2/24/11)

Section 6 - Division of Commissions

Section 6.0 Compensation Specified on Each Listing. The listing participant shall specify, on each listing filed with the MLS, the compensation offered to other MLS Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of sale (or lease) or as otherwise provided in this rule. The listing participant's obligation to compensate any cooperating broker as the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing participant and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing participant to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and the circumstances including, but

not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing participant know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing participant communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the multiple listing service of an association of REALTORS[®], the participant of the service is making blanket unilateral offers of compensation to the other MLS participants, and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.

The listing participant retains the right to determine the amount of compensation offered to other participants which may be the same or different.

This shall not preclude the listing participant from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS provided the listing participant informs the other broker, in writing, in advance of submitting an offer to purchase and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. (Amended 2/24/11)

Section 6.1 Procedure for Specifying Compensation on Listing.

- (a) The compensation specified on listings filed with the MLS shall be shown in one of two forms. The essential and appropriate requirement by the MLS is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the listing participant in writing in advance of their submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:
 - 1. By showing a percentage of the gross selling price.
 - 2. By showing a definite dollar amount.
 - 3. By showing a percentage of the net sale price. (Must be stated in Broker Remarks.)
 - ◆ The compensation offered to MLS Participants shall be shown in the "Compensation Field" of the MLS.
 - ◆ For Residential Lease listing only: listing participant shall also specify how much rent the compensation shall be based on if percentage rate is selected. (10/23/08)
Net Sales: net sales price is defined as the gross sales price minus buyer upgrades (new constructions) and seller concessions (costs paid on behalf of the buyer at the mortgage closing). (Amended 1/26/12)
 - ◆ Broker Remarks must state "Compensation based on Net Sales Price" and/or any other provisions that may affect the compensation amount in the compensation field (such as seller concessions.) (Amended 1/26/12)
- (b) The Multiple Listing Service shall not include offers of cooperation that do not include an offer of compensation expressed as a percentage of the gross selling price or as a definite dollar amount nor shall the MLS include general invitations by listing participant to other Participants to discuss terms and conditions of possible cooperative relationships.
- (c) The listing participant may, from time to time, adjust the compensation offered to other MLS Participants for their services with respect to any listing by advance published notice to the MLS so that all Participants will be advised.

Note 1: The multiple listing service shall not have a rule requiring the listing participant to disclose the amount of total negotiated commission in his listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The association multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing participant.

Note 2: The multiple listing service shall make no rule on the division of commissions between participants and non-participants. This should remain solely the responsibility of the listing participant.

Note 3: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing participant to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval; and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. (Adopted 11/98, Amended 2/24/11)

Note 4: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. (Adopted 11/05)

Note 5: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperation participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential “remarks” available only to participants and users. (Amended 6/24/10.)

Section 6.2 Disclosing Potential Short Sales. Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sales and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants.

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants. (Adopted July 31, 2008, amended June 25)

Where participants communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating participants, listing participants shall disclose to cooperating participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 24 hours of receipt of notification from the seller’s lender. (2/24/11)

Section 6.3 Bonuses. Should a listing participant want to offer a bonus to the selling participant, the offer shall be shown in the Broker Remarks section of the listing. Any offer of a bonus in the Broker Remarks must show that the offer is being made to the Principal Participant of the selling office and shall not state or imply that the offer is being made to the selling sales associate.

Section 6.4 Participant as Principal. If a Participant or any licensee (or licensed or certified appraiser or licensed trainee appraiser) affiliated with a Participant has any interest in property, the listing of which is to be disseminated through the MLS, that person shall disclose that interest in the “Public Remarks” section when the listing is filed with the MLS and such information shall be disseminated to all MLS Participants.

Section 6.5 Participant as Purchaser. If a Participant or any licensee (or licensed or certified appraiser or licensed trainee appraiser) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker prior to the time an offer to purchase is submitted to the listing broker.

Section 6.6 Dual or Variable Rate Commission Arrangements. The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing participant without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold by the listing participant either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing participant identified in the MLS Tech MLS Data as “ERS w/Var. Rate Comm” in the “Type of Listing Agreement” field. The listing participant shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. (renumbering 2/24/11)

Section 7 - MLS System

Section 7.0 Broker Load. At the option of the Participant and subject to completion of the Add/Edit Training Course, the Participant, or members of the Participant's firm authorized by the Participant, can enter his/her firm's listings and modify listing data directly to the MLS system. **(2/27/05, updated 4/19/07)**

Section 7.1 Password Identification. To obtain a password, a Participant, User, Unlicensed Assistant, or Unlicensed Virtual Assistant must:

1. Sign the “MLS Tech MLS Online System Participant/User Agreement” or the “MLS Tech MLS Online System Unlicensed Assistant Agreement” (whichever is applicable).
2. Provide MLS Tech MLS with their Social Security or Driver’s License Number.
3. Pay the fees set out in Section 8 of these Rules and Regulations and Addendum A.
4. If a Participant, User, or Unlicensed Assistant, or Unlicensed Virtual Assistant forgets his/her password, he/she can either come to the MLS Tech office, or contact MLS Tech by phone. If the Participant, User, Unlicensed Assistant, or Unlicensed Virtual Assistant contacts MLS Tech by phone, they will be asked certain information by MLS Tech staff to confirm that the individual requesting the password is entitled to a password.

Section 7.2 Central Load. At the option and authorization of the Participant, listing “Property Data” forms and status changes can be submitted to MLS Tech for entry in the MLS system by MLS Tech staff. "Addendum One" lists the fees for "Central Load" of listings and listing change data.

Section 7.3 Accuracy of Information. Whether "Broker Load" or "Central Load", the accuracy of the information into the MLS system is the sole responsibility of the Participant.

Section 8 - Confidentiality Of MLS Information

Section 8.0 Confidentiality of MLS Information. Any information (including, but not limited to the reports and fields set out in Article 1, Section 10 of these Rules) provided by MLS Tech to the Participants shall be considered official information of MLS Tech. Such information shall be considered confidential and exclusively for the use of Participants and Users affiliated with such Participants and shall not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations. Further a Participant, User, Unlicensed Assistant, or Unlicensed Virtual Assistant are prohibited from using any MLS data for commercial purposes except as otherwise provided in these Rules. *(1/1/04)*

Section 8.1 MLS Tech and Its Multiple Listing Service Not Responsible for Accuracy of Information. The information published and disseminated by the MLS Tech MLS is communicated without change except as provided in Article I, Sections 2.12 and 2.15 of these Rules and Regulations by MLS Tech, as filed with the MLS by the Participant. MLS Tech and its MLS does not verify the information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold MLS Tech and its MLS harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Information contained in the MLS electronic data compilations and the MLS computer database printouts is furnished by Participants for dissemination to other Participants, for their exclusive use, and should not be relied upon by any other person. There is no express or implied warranty by MLS Tech or its MLS as to the accuracy of such information, which should be independently verified.

Section 9 - Ownership of MLS Compilations and Copyrights

Section 9.0 Ownership of the MLS Compilations (hereinafter referred to as Data) and Copyrights. By the act of submitting any property listing content to the MLS, the Participant represents that he/she has been authorized to grant and also thereby does grant authority for MLS Tech to include the property listing content in its copyrighted *MLS Tech MLS compilation and also in any statistical report on comparables utilizing the MLS Database*. Listing content includes, but is not limited to photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. *(8/19/04) (6/21/07)*

NOTE: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

(1) Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.

(2) Develop and post a DMCA-compliant website policy that addresses repeat offenders.

(3) Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.

(4) Have no actual knowledge of any complained-of infringing activity.

(5) Not be aware of facts or circumstances from which complained-of infringing activity is apparent.

(6) Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. 512

**The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.*

Section 9.1 Copyrights. All right, title, and interest in the MLS database and photographs in such database (electronic and/or printed) created and copyrighted by MLS Tech, and in the copyrights therein, shall at all times remain vested in MLS Tech. *(8/19/04 amended 11/20/08)*

Section 9.2 Lease of MLS Tech MLS Data Access. Each Participant shall be entitled to lease from MLS Tech a number of MLS Tech MLS accesses sufficient to provide the Participant and each person affiliated as a licensee or licensed or certified appraiser or licensed trainee appraiser or unlicensed assistant with such Participant with one access to the MLS Tech MLS Database. The Participant shall pay, for each such access, the rental fee set by MLS Tech.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

Section 10 - Use of Copyrighted MLS Data

Section 10.0 Distribution. Participants shall at all times maintain control over and responsibility for each access of any MLS Data leased to them by MLS Tech, and shall not distribute Data to persons other than persons who are affiliated with such Participant as licensees or those individuals who are licensed or certified by the State of Oklahoma to engage in the appraisal of real property. Use of information developed by or published by the MLS is strictly limited to the activities authorized under the Participant's licensure(s) and unauthorized users are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an association multiple listing service where access to such information is prohibited by law.

Section 10.1 Display of MLS Tech MLS Data.

- (a) Listing information displayed pursuant to IDX, VOW, the TulsaREALTORS.com Web site, REALTOR.com or any other aggregator of MLS data shall be limited to properties listed on an exclusive right to sell and exclusive agency basis.
- (b) Participants and those persons affiliated as licensees with such Participants, shall be permitted to display the MLS Data (subject to the restrictions in 10.1c below) to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said Data or to Sellers for the purpose of obtaining a listing. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. If a Participant refuses on a blanket basis to permit the display of that Participant’s listings, that participant may not download, frame or display the aggregated MLS data of other Participants. - d.** Listings, including property addresses, can be included in IDX displays where a seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible web sites or VOWS). **(3/23/06 Amended 7/22/10) (Amended 5/12) (Mandated by NAR)**

- j. Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing associate for the property explaining why the data or information is false. 12.1 Misuse of MLS Data and/or Violation of MLS Data Copyright. In the event a Vendor violates the terms of the MLS Tech Third Party Vendor Agreement or misuses MLS Tech MLS data or violates the MLS data copyright, the Vendor's access to MLS shall be immediately terminated and the Participant(s) and User(s) shall be notified of the termination. Section 13 - Virtual Office Website (VOW)

Note: Adoption of Sections 13.1 through 13.14 is mandatory.

Section 13.1 (a): A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability.

(b) As used in Section 19 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees – except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.

(c) "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d) As used in Section 19 of these Rules, the term "MLS Listing Information" refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 13.2 (a): The right of a Participant's VOW to display MLS Listing Information is limited to that

supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b) Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange ("IDX").

(c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant's VOW.

Section 13.3 (a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

(i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

(ii) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

(iii) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(b) The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant's password.

(c) If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a "Terms of Use" provision that provides at least the following:

- i.** That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- ii.** That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;

iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;

v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 13.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 13.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

(NOTE: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

Section 13.6 (a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option a or Option b

a. [] I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

b. [] I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

initials of seller

(c) The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 13.7:

(a) Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing

(b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. ARTICLE IX – Arbitration of Disputes

Section 1.0 Arbitration of Disputes. By becoming and remaining a Participant, each Participant agrees to arbitrate disputes involving contractual issues and questions, and specific non-contractual issues and questions defined in Standard of Practice 17-4 of the Code of Ethics with MLS Participants in different firms arising out of their relationships as MLS Tech Participants, subject to the following qualifications:

- (a) If all disputants are members of the Greater Tulsa Association of REALTORS® (GTAR) or if their principal place of business is located within the territorial jurisdiction of the GTAR, they shall arbitrate pursuant to the procedures of GTAR.
- (b) If the disputants are members of different Boards/Associations of REALTORS® or if their principal place of business is located within the territorial jurisdiction of different Boards/Associations of REALTORS® they remain obligated to arbitrate in accordance with the procedures of the Oklahoma Association of REALTORS®.

Awards: The obligation to arbitrate includes the duty to either 1) pay an award to the party(ies) named in the award or 2) deposit the funds with the Professional Standards Administrator to be held in an escrow or trust account maintained for this purpose. Failure to satisfy the award or deposit the funds with the association within ten (10) days may be considered a violation of the MLS rules and may subject the participant to disciplinary action at the sole discretion of the MLS.

Section 1.1 Interboard Arbitration Procedures. Arbitration shall be conducted in accordance with any existing interboard agreement, or alternatively, in accordance with the Interboard Arbitration Procedures in the *Code of Ethics and Arbitration Manual of the National Association of REALTORS®*. Nothing herein shall preclude Participants from agreeing to arbitrate the dispute before a particular Board/Association of REALTORS®.

ARTICLE X– Standards of Conduct for Participants

Section 1.0 Participants shall not engage in any practice or take any action inconsistent with the exclusive representation or exclusive brokerage relationship agreements that other Participants have with clients. (8/19/04)

Section 1.1 Signs giving notice of property for sale, rent, lease, or exchange shall not be placed on property without consent of the seller/landlord.

Section 1.2 Participants acting as buyer/tenant representatives or brokers shall not attempt to extend a listing participant's offer of cooperation and/or compensation to other brokers without the consent of the listing participant. (8/19/04)

Section 1.3 Participants shall not solicit a listing currently listed exclusively with another broker. However, if the listing participant, when asked by the Participant, refuses to disclose the expiration date and nature of such listing (i.e., an exclusive right to sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client) the Participant may contact the owner to secure such information and may discuss the terms upon which the Participant might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing.

Section 1.4 Participants shall not solicit buyer/tenant agreements from buyers/tenants who are subject to exclusive buyer/tenant agreements. However, if asked by a Participant, the broker refuses to disclose the expiration date of the exclusive buyer/tenant agreement, the Participant may contact the buyer/tenant to

secure such information and may discuss the terms upon which the Participant might enter into a future buyer/tenant agreement or, alternatively, may enter into a buyer/tenant agreement to become effective upon the expiration of any existing exclusive buyer/tenant agreement. *(8/19/04)*

Section 1.5 Participants shall not use information obtained by them from the listing participant, through offers to cooperate made through the or through other offers of cooperation to refer listing participant's clients to other brokers, or to create buyer/tenant relationships with listing participant's clients, unless such use is authorized by the listing participant. *(8/19/04)*

Section 1.6 The fact that an agreement has been entered into with a Participant shall not preclude or inhibit any other Participant from entering into a similar agreement after the expiration of the prior agreement.

Section 1.7 The fact that a prospect has retained a Participant as a representative or exclusive broker in one or more past transactions does not preclude other Participants from seeking such former prospect's future business. *(8/19/04)*

Section 1.8 Participants are free to enter into contractual relationships or to negotiate with sellers/landlords, buyer/tenants or others who are not subject to an exclusive agreement but shall not knowingly obligate them to pay more than one commission except with their informed consent. *(8/19/04)*

Section 1.9 When Participants are contacted by the client of another Participant regarding the creation of an exclusive relationship to provide the same type service, and Participants have not directly or indirectly initiated such discussion, they may discuss the terms upon which they might enter into a future agreement or, alternatively, may enter into an agreement which becomes effective upon expiration of any existing exclusive agreement. *(8/19/04)*

Section 1.10 In cooperative transactions, Participants shall compensate cooperating Participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other Participants without the prior express knowledge and consent of the cooperating broker.

Section 1.11 Participants are not precluded from making general announcements to prospects describing their services and the terms of their availability even though some recipients may have entered into exclusive representation or exclusive broker agreements or other exclusive relationships with another Participant. A general telephone canvass, general mailing, or distribution addressed to all prospects in a given geographical area or in a given profession, business, club, or organization, or other classification or group is deemed "general" for purposes of this rule. *(8/19/04)*

Section 1.12 The following types of solicitations are prohibited: Telephone or personal solicitations of property owners who have been identified by a real estate sign, multiple listing compilation, or other information service as having exclusively listed their property with another Participant; and mail or other forms of written solicitations of prospects whose properties are exclusively listed with another Participant when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilations of current listings, "for sale" or "for rent" signs, or other sources of information intended to foster cooperation with Participants. *(8/19/04)*

Section 1.13 Participants, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service. *(8/19/04)*

Section 1.14 Participants, acting as buyer or tenant representatives or brokers shall disclose that relationship to the seller/landlord's representative or broker at first contact and shall provide written confirmation of that disclosure to the seller/landlord's representative or broker not later than execution of a purchase agreement or lease. *(8/19/04)*

Section 1.15 On unlisted property, Participants acting as buyer or tenant representatives or brokers shall disclose that relationship to the seller/landlord at first contact for that buyer/tenant and shall provide written confirmation of such disclosure to the seller/landlord not later than execution of any purchase or lease agreement. *(8/19/04)*

Participants shall make any request for anticipated compensation from the seller/landlord at first contact.

Section 1.16 Participants, acting as representatives or brokers of seller/landlords, shall disclose that relationship to buyers/tenants as soon as practicable, and shall provide written confirmation of such disclosure to buyers/tenants not later than execution of any purchase or lease agreement. *(8/19/04)*

Section 1.17 Participants are not precluded from contacting the client of another broker for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g., property management as opposed to brokerage) or from offering the same type of service for property not subject to other brokers' exclusive agreements. However, information received through a Multiple Listing Service or any other offer of cooperation may not be used to target clients of other Participants to whom such offers to provide services may be made. *(8/19/04)*

Section 1.18 Participants, acting as buyer/tenant representatives or brokers, shall not use the terms of an offer to purchase/lease to attempt to modify the listing broker's offer of compensation to buyer's/tenant's representative or brokers or make the submission of an executed offer to purchase/lease contingent on the listing broker's agreement to modify the offer of compensation. *(8/19/04)*

Section 1.19 All dealings concerning property exclusively listed or with buyer/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker and not with the client, except with the consent of the client's representative or broker or except where such dealings are initiated by the client. *(8/19/04)*

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, participants shall ask prospects whether they are a party to any exclusive representation agreement. Participants shall not knowingly provide substantive services concerning a prospective transaction to prospects who are parties to exclusive representative or at the direction of prospects. *(8/19/04)*

Section 1.20 These rules are not intended to prohibit ethical, albeit aggressive or innovative business practices, and do not prohibit disagreements with other Participants involving commission, fees, compensation, or other forms of payment or expenses.

Section 1.21 Participants shall not knowingly or recklessly make false or misleading statements about other real estate professionals, their businesses, or their business practices.

Section 1.22 Participants, users, and subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual agreements between the client and that firm. This does not preclude participants from establishing agreements with their associated licensees governing assignability of exclusive agreements.

Section 1.23 Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner.

Websites of licensees affiliated with a participant's firm shall disclose the firm's name and the licensee's state(s) of licensure in a reasonable and readily apparent manner.

Section 1.24 Participants shall present a true picture in their advertising and representations to the public, including internet content posted, and the URLs and domain names they use, and participants may not:

1. engage in deceptive or unauthorized framing of real estate brokerage websites;
2. manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result;
3. deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic.
4. present content developed by others without either attribution or without permission, or
5. to otherwise mislead consumers. (Adopted 1/13)

Section 1.25 The services which MLS participants provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, land brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth.
